III. Selecting a Dentist

You may choose any Dentist, so long as that Dentist has not been excluded from Medicare participation. If you receive services from a Dentist that has been excluded from the Medicare program, Delta Dental will be unable to make any payments to either you or your Dentist and you will be responsible for all costs. Prior to receiving services from your Dentist, you should confirm whether or not your Dentist has been excluded from participating in the Medicare program. When selecting a Dentist, you may choose any Dentist. Your out-of-pocket costs are likely to be less if you go to a Delta Dental Medicare Advantage Participating Dentist. Delta Dental Medicare Advantage Participating Dentists agree to accept payment according to the applicable Delta Dental Medicare Advantage Participating Dentist Agreement and, in most cases, this results in a reduction of their fees. Additionally, when receiving treatment from a Delta Dental Medicare Advantage Participating Dentist, your out-of-pocket costs may be further reduced if you go to a Delta Dental Medicare Advantage PPO Dentist. To verify that a Dentist is a Medicare Advantage Participating Dentist, you can use Delta Dental's online Dentist Directory at www.deltadentalin.com/findadentist or call (800) 330-2732 (TTY Users call 711). **When accessing Delta Dental's online Dentist Directory you must follow the link labeled Medicare Advantage PPO and Medicare Advantage Premier.**

If the Dentist you select is not a Delta Dental Medicare Advantage Participating Dentist, you will still be covered, but you may have to pay more.

If you choose a Nonparticipating Dentist, you will be responsible for any difference

between the Nonparticipating Dentist Fee and the Dentist's Submitted Fee, in addition to any Coinsurance, Copayment or Deductible, if applicable.

The provider network may change at any time. You will receive notice when necessary.

 - a. Your full name and address
 - b. Your SIHO Member ID number
 - c. Your date of birth

Notice of Claim Forms

Your Dentist should submit your dental claims form using the most recent American Dental Association ("ADA") approved claim form. Medicare Advantage Participating Dentists will fill out and submit your dental claims for you.

P.O. Box 9298
Farmington Hills, Michigan 48333-9298

Pre-Service Organization Determination

Your Dentist can submit a request for a coverage decision to determine whether you qualify for a dental service that may be covered under This Plan through the Dental Office Toolkit ® (DOT). You can also request a

coverage decision to determine whether you qualify for a dental service that may be covered under This Plan by calling the Customer Service department toll-free at (800) 330-2732 or in writing at:

Delta Dental
P.O. Box 9230
Farmington Hills, MI 48333-9230

For a standard coverage decision, Delta Dental will provide an answer within 14 calendar days after receiving your request. To file a fast coverage decision the standard deadlines must potentially cause serious harm to your health or hurt your ability to function. If Delta Dental approves the fast request, an answer will be provided within 72 hours. For both standard and fast requests, Delta Dental may take up to 14 additional calendar days under certain circumstances. If additional time is taken, Delta Dental will notify you in writing and explain the reasons for the extension.

If Delta Dental does not approve your standard or fast coverage request, you have the right to file an appeal. Please see the Appeal section for more information. Availability of dental benefits at the time your request is completed is dependent on several factors. These factors include, but are not limited to, medical necessity, your continued eligibility for benefits, your available annual or lifetime Maximum Payments, any coordination of benefits, the status of your Dentist, This Plan's limitations and any other provisions, together with any additional information or changes to your dental treatment. To determine whether a service may be covered under This Plan, please review the benefits included in this document.

Written Notice of Claim and Time of Payment

All claims for Benefits must be filed with Delta Dental within one year of the date the services were completed. Once a claim for payment is filed, Delta Dental will decide it within 30 days of receiving it. If there is not enough information to decide your claim, Delta Dental will notify you or your Dentist within 30 days. The notice will (a) describe the information needed, (b) explain why it is

needed, (c) request an extension of time in which to decide the claim, and (d) inform you or your Dentist that the information must be received within 60 days or your claim will be denied. You will receive a copy of any notice sent to your Dentist. Once Delta Dental receives the requested information, it will decide your claim and send you notice of that decision. If you or your Dentist does not supply the requested information, Delta Dental will have no choice but to deny your claim. Once Delta Dental decides your claim, it will notify you within five days.

Authorized Representative

You may also appoint an authorized representative to deal with Delta Dental on your behalf with respect to any benefit claim you file or any review of a denied claim you wish to pursue (see the Grievance and Appeals Procedure section). You should call Delta Dental's Customer Service department, toll-free, at (800) 330-2732, or write them at P.O. Box 9230, Farmington Hills, Michigan, 48333-9230, to request a form to designate the person you wish to appoint as your representative or you may use the CMS Appointment of Representative Form (Form CMS-1696). While in some circumstances your Dentist is treated as your authorized representative, generally Delta Dental only recognizes the person whom you have authorized on the last dated form filed with Delta Dental. Once you have appointed an authorized representative, Delta Dental will communicate directly with your representative and will not inform you of the status of your claim. You will have to get that information from your representative. If you have not designated a representative, Delta Dental will communicate directly with you.

Questions and Assistance

Questions regarding your coverage should be directed to Delta Dental's Customer Service department, toll-free, at (800) 330-2732 (TTY Users call 711). You may also write to Delta Dental's Customer Service department at P.O. Box 9230, Farmington Hills, Michigan, 48333-9230. When writing to Delta Dental, please include your name, your SIHO Member ID number, and your daytime telephone number.

VIII. Coordination of Benefits

Coordination of Benefits ("COB") provision applies when a Person has health care coverage under more than one plan. "Plan" is defined below.

The order of benefit determination rules govern the order in which each Plan will pay a claim for benefits. The Plan that pays first is called the Primary Plan. The Primary Plan must pay benefits in accordance with its policy terms without regard to the possibility that another Plan may cover some expenses. The Plan that pays after the Primary Plan is

the Secondary Plan. The Secondary Plan may reduce the benefits it pays so that payments from all Plans does not exceed 100 percent of the total Allowable Expense.

Definitions

Plan is any of the following that provides benefits or services for medical or dental care or treatment. If separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same Plan and there is no COB among those separate contracts.

1. Plan includes: group and non-group insurance contracts, medical care components of long-term care contracts, such as skilled nursing care; medical benefits under group or individual automobile contracts; and Medicare or any other federal governmental plan, as permitted by law.
2. Plan does not include: hospital indemnity coverage or other fixed indemnity coverage; accident only coverage; specified disease or specified accident coverage; school accident type coverage; benefits for non-medical components of long-term care policies; Medicare supplement policies; or coverage under other federal governmental plans that do not permit coordination.

Each contract for coverage under (1) or (2) above is a separate Plan. If a Plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate Plan.

This Plan, for purposes of this section, means the part of the contract providing the health care benefits to which the COB provision applies and which may be reduced because of the benefits of other Plans. Any other part of the contract providing health care benefits is separate from This Plan. A contract may apply one COB provision to certain benefits, such as dental benefits, coordinating only with similar benefits, and may apply another COB provision to coordinate other benefits.

Order of Benefit Determination Rules determine whether This Plan is a Primary Plan or Secondary Plan when the person has health care coverage under more than one Plan.

When This Plan is primary, it determines payment for its Benefits first before those of any other Plan without considering any other

Plan's Benefits. When This Plan is secondary, it determines its Benefits after those of another Plan and may reduce the Benefits it pays so that the total benefits paid by all Plans do not exceed the Submitted Amount. In no event will This Plan's payments exceed the Maximum Approved Fee.

Order of Benefits Determination Rules

When a person is covered by two or more Plans, the rules for determining the order of benefit payments are as follows:

1. This Plan will pay primary over any Medicaid or Retiree Plan that you may have.
2. This Plan will pay secondary to any employer sponsored, automobile, group, or individual Plan you may have, except for those listed in (1) above.
3. If This Plan is the Primary Plan, it will pay its benefits according to its terms of coverage and without regard to the benefits under any other Plan.
4. Except as provided in the following paragraph, a Plan that does not contain a COB provision is always primary unless otherwise required by law.

Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage shall be excess to any other parts of the Plan provided by the contract holder, shall be secondary regardless of whether or not it contains a COB provision.

5. A Plan may consider the benefits paid or provided by another Plan in calculating payment of its benefits only when it is secondary to that other Plan.

Effect on the Benefits of This Plan

When This Plan is secondary, it may reduce its Benefits so that the total benefits paid or provided by all Plans during a plan year are not more than the total Submitted Amount. In determining the amount to be paid, This Plan will calculate the benefits it would have paid in the absence of other health care coverage (Maximum Approved Fee) and apply that the remaining amount that you

owe to the Dentist following the Primary Plan's payment. The amount paid by This Plan will not exceed the Maximum Approved Fee.

Right of Recovery

If the amount of the payments made by Delta Dental is more than it should have paid under this COB provision, it may recover the excess from one or more of the persons it has paid or for whom it has paid, or any other person or organization that may be responsible for the benefits or services provided for the covered person. The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

Coordination Disputes

If you believe that we have not paid a claim properly, you should first attempt to resolve the problem by contacting us. You or your Dentist should contact Delta Dental's Customer Service department and ask them to check the claim to make sure it was processed correctly. You may do this by calling the toll-free number, (800) 330-2732, and speaking to a telephone advisor. You may also mail your inquiry to the Customer Service Department at PO Box 9230, Farmington Hills, Michigan, 48333-9230. You may also follow the Grievance and Appeals Procedure below

IX. Grievance and Appeals Procedures

If we make an Adverse Benefit Determination, you will receive a Notice of Denial of Coverage. You or your authorized representative, should seek a review as soon as possible, but you must file your request for review within **60 days** of the date that you received that Notice of Denial of Coverage. Delta Dental may give you more time if you have a good reason for missing the deadline.

There are two types of appeals.

Standard Appeal – We will give you a written decision on a standard appeal within 30 days after we get your appeal for a Pre-Service Organization Determination. Our decision might take longer if you ask for an extension, or if we need more information about your case. We will tell you if we are taking extra time and will explain why more time is needed. If your appeal is for payment of a service you have already received, we will give you a written decision within 60 days.

Fast Appeal – We will give you a decision on a fast appeal within 72 hours after we get your appeal. You can ask for a fast appeal if you or your doctor believe your health could be seriously harmed by waiting up to 30 Days for a decision. You cannot request a fast appeal if you are asking us to pay you back for a service you have already received.

If you would like a record of your request and proof that Delta Dental received it, mail your request certified mail, return receipt requested.

The notice of any adverse determination regarding your appeal will (a) inform you of the specific reason(s) for the denial, (b) list the pertinent Plan provision(s) on which the denial is based, (c) contain a description of any additional information or material that is needed to decide the claim and an explanation of why such information is needed, (d) reference any internal rule, guideline, or protocol that was relied on in making the decision on review.

Adverse appeals will be automatically submitted to the CMS's contracted independent review entity within 60 calendar days from the date Delta Dental received the member's first level appeal. The Appeals Staff will concurrently notify the member that the appeal is being forwarded to CMS's independent review entity.

X. Termination of Coverage

Your Delta Dental coverage may automatically terminate:

- ◆ When SHIO advises Delta Dental to terminate your coverage.
- ◆ On the first day of the month for which SIHO has failed to pay Delta Dental.
- ◆ For fraud or misrepresentation in the submission of any claim.
- ◆ For any other reason stated in the contract between Delta Dental and SIHO.

Delta Dental will not continue eligibility for any person covered under This Plan beyond the termination date requested by SIHO. A person

whose eligibility is terminated may not continue coverage under this Certificate.

XI. General Conditions

Subrogation and Right of Reimbursement

If Delta Dental provides Benefits under this Certificate and you have a right to recover damages from another, Delta Dental is subrogated to that right.

To the extent that This Plan provides or pays Benefits for Covered Services, Delta Dental is subrogated to any right you or your Eligible Dependent has to recover from another, his or her insurer, or under his or her "Medical Payments" coverage or any "Uninsured Motorist," "Underinsured Motorist," or other similar coverage provisions. You or your legal representative must do whatever is necessary to enable Delta Dental to exercise its rights and do nothing to prejudice them.

If you recover damages from any party or through any coverage named above, you must reimburse Delta Dental from that recovery to the extent of payments made under This Plan.

Obtaining and Releasing Information

While you are an Eligible Person, you agree to provide Delta Dental with any information it needs to process your claims and administer your Benefits. This includes allowing Delta Dental access to your dental records.

Dentist-Patient Relationship

Eligible Persons are free to choose any Dentist. Each Dentist maintains the dentist-patient relationship and is solely responsible to the patient for dental advice and treatment and any resulting liability.

Loss of Eligibility During Treatment

If an Eligible Person loses eligibility while receiving dental treatment, only Covered Services received while that person was covered under This Plan will be payable.

Certain services begun before the loss of eligibility may be covered if they are completed within 60 days from the date of termination. In those cases, Delta Dental evaluates those services in progress to determine what portion may be paid by

Delta Dental. The difference between Delta Dental's payment and the total fee for those services is your responsibility.

Late Claims Submission

Delta Dental will make no payment for services or supplies if a claim for such has not been received by Delta Dental within one year following the date the services or supplies were completed.

Change of Certificate or Contract

No agent has the authority to change any provisions in this Certificate or the provisions of the contract on which it is based. No changes to this Certificate or the underlying contract are valid unless Delta Dental approves them in writing.

Actions

No action on a legal claim arising out of or related to this Certificate will be brought within 60 days after notice of the legal claim has been given to Delta Dental, unless prohibited by applicable state law. In addition, no action can be brought more than three years after the legal claim first arose or after expiration of the applicable statute of limitations, if longer. Any person seeking to do so will be deemed to have waived his or her right to bring suit on such legal claim. Except as set forth above, this provision does not preclude you from seeking a judicial decision or pursuing other available legal remedies.

Right of Recovery Due to Fraud

If Delta Dental pays for services that were sought or received under fraudulent, false, or misleading pretenses or circumstances, pays a claim that contains false or misrepresented information, or pays a claim that is determined to be fraudulent due to your acts or acts of your Eligible Dependents, it may recover that payment from you or your Eligible Dependents. You and your Eligible Dependents authorize Delta Dental to recover any payment determined to be based on false, fraudulent, misleading, or misrepresented information by deducting that amount from any payments properly due to you or your Eligible Dependents. Delta Dental will provide an explanation of the payment recovery at the time the deduction is made.

Change of Status

You must notify Delta Dental, through your employer or organization, of any event that changes the status of an Eligible Dependent. Events that can affect the status of an Eligible Dependent include, but are not limited to, marriage, birth, death, divorce, and entrance into military service.

Governing Law

This Certificate and the underlying group contract will be governed by and interpreted under the Centers for Medicare and Medicaid Services (CMS)

Legally Mandated Benefits

If any applicable law requires broader coverage or more favorable treatment for you or your Eligible Dependents than is provided by this Certificate, that law shall control over the language of this Certificate.

Any person intending to deceive an insurer, who knowingly submits an application or files a claim containing a false or misleading statement, is guilty of insurance fraud.

Insurance fraud significantly increases the cost of health care. If you are aware of any false information submitted to Delta Dental, please call our toll-free hotline. We only accept anti-fraud calls at this number.
